None.

**Other**

Fifth grade outdoor ed is at Stone Canyon (a Douglas County School District facility).

Hiring process has begun for teachers.

Principal and teacher positions are open to anyone.

Concerned with safety at the glow jam (because of open doors), could there be a resource officer present? Ms. Radke will look into it.

Can lunch before recess be possible? That's how it was before Covid. Ms. Radke will look into it.

New principal will hire a campus security specialist. This is not an SRO (school resource officer). This position is another set of eyes for the building and is not armed nor do they need to have security experience.

If you had a 5<sup>th</sup> grader last year and still have their Congratulations yard sign, please feel free to bring it back to the school and we can reuse them.

Nominating committee has a slate of candidates ready to go. It will be announced in the Wednesday newsletter in two weeks. At the April 1<sup>st</sup> meeting the candidates will be officially announced and voting happens at the PTO meeting in May.
