

TTEA Meeting Notes
4/14/14

Introductions
Approved Minutes from 3/10/14

Michele Radke Report – Michele Radke

- Thank you for the Staff Appreciation Week and all of the TTEA's support
- Few things to discuss to day
 - Douglas County Sheriff's department comes out on the street a few times a year. Michele's jurisdiction ends at the drive way to enter the parking lot.
 - We can't stop in bike lane because its for bikers.
 - There is a concern about parking at 2:45 on the road.
 - The police just come occasionally and don't notify the school before hand
 - If they talk to you about being in the street while picking up or dropping of your child, just say okay.
 - If it continues to be a problem we will form a committee to try to come up with a solution.
 - Lisa Crockett will be discussing potentially changing street signs during school pick up and drop off times with the city.
- An e-mal went out last week regarding the class sections.
 - All grades have 4 sections except 3rd grade will have 5.
 - We are interviewing 2 people from within the district today.
 - It is only guaranteed for one year.
- CMAS is the new acronym for TCAPs and stands for Colorado Measurement of Academic Standards. These tests are on the computer and will be using new Chrome Books as well as the computers in the tech and lab and library and existing laptops. They are going on this week for the following:
 - 5th grade science
 - 4th grade social studies
- Buying new Chrome Books for the school. They are easier to manipulate for research and are used for more intermediate grades where the iPads will be used more for the primary grades.
- Debbie Clemente will be posting videos to the TTE site demonstrating how the technology is being used, etc.

Treasurer's Report – Jacqueline Blaeser

- There has not been much activity in the account though we will see some out flow due purchases for new furniture for the library and mobiles later this month and next.
- Balance: \$109,371
- Net Income: \$1,005.16

- Jenn Halvas called for a move to add \$460 to petty cash for Staff Appreciation. The motion was seconded.

Move-a-Thon – Brandi Tsuchimoto

- We kicked off the MaT last Wednesday by representatives of the TTEA visiting each classroom individually.
- The first prize day is tomorrow. Hopefully it will spur excitement and get the momentum going.
- We are currently not tracking with where we were in terms of pledges last year. Possible reasons might be classbook ordering just ended and SAW is going on. People have been receiving a lot of messages and been donating.
- Prizes are listed in the envelope that went home last week.
- This year we added an online auction. Information for that went home in Thursday folders last week.
- There will be an e-mail that goes out today and more e-mails in the coming weeks.
- A volunteer button has been added to the TTEA website where people can go to volunteer on the day of the MaT.
- There were questions about company match. As people have companies that will match the donations, we will take them on a company by company basis because each company does things a little differently.
- Added this year is signage for the sponsors. The signs are in the grass to be seen in the carpool line.
- Talk it up!!!

Staff Appreciation Week & Room Parents– Whitney Shank

- Whitney was not present at the meeting as she is busy with SAW right now.
- Look in the teacher's lounge before you leave the school to see the amazing decorations and fun stuff that's planned for the teachers and staff.
- Start thinking about end of year parties with your teachers to determine, day, time and location. Get your location reserved at the front desk.

Volunteer Coordinator – Colleen Moar

- Thank you for volunteering at the Book Fair. We had great participation for volunteers.
- Now we need volunteers for the MaT – there will be 3 shifts to choose from:
 - Morning from 8:30 to 12:30
 - Afternoon from 12 to 3:30
 - All day which includes a lunch break and a provided lunch
- If you have a specific activity that you want to do, let Brandi or Colleen know
- The Volunteer Appreciation breakfast will be at the next & last TTEA meeting of the year which is May 12. We will watch the 5th grade dance performance and then have breakfast and a meeting. We will also be voting on the TTEA board for next year.

Scrip/King Soopers – Jacqueline Blaeser

- The bulk scrip order form went out in Thursday folders last week. They are due on April 21.

Reading Program – Tiffany Dexter

- The last one is tomorrow
- Next year's will be posted soon.

Destination Imagination and Enrichment – Dion Boeke

- The state tournament was this weekend. We had one team there. They placed 12th and will not be going to Globals.

Dine & Dash –

- Noodles & Company in Lone Tree on 4/22 from 12-8
- Mention Timber Trail

Classbooks – Michelle Misuraca

- 89% of students will have a classbook and every class has a book
- Each class has 1 or 2 students that didn't buy one
- Consider having a scholarship fund for next year
