

TTEA Meeting Minutes October 7, 2013

Lisa Crockett called the meeting to order with a welcome and introduction going around the room with sharing our favorite football team.

Motion to approve the September 9th minutes and a second was followed.

Michele Radke:

- Thank you for coins of compassion, so good for the kids to be able to help people so close to home. Lesley Pardew found someone close to home to give the money to. More information to follow on this.
- October count, official count for the school budget, budget is based off of that. 556 children were our projection and 578 children were present that day. Anything over the projected number we get more money for. In addition, the board approved to give the school an additional \$25.00 per student.
- Question asked to why the children on occasion hear the "hold attendance" announcement. Michele Radke said they only do that when there is bad weather outside and driving conditions might be difficult. This announcement has nothing to do with the drop off line. The drop off line has been working well. No one has been tardy from car line. There are no cars in the car line when the tardy bell rings.

Treasurer:

- Jacqueline Blaeser announced that our Net Income is \$10,801.42 and our Total Liabilities and Equity is \$119,168.03.

Volunteer coordinator:

- Colleen Moar thanked everyone who helped out and volunteered at the Book Fair.

Timber Team Liason:

- Lesley Pardew is counting the money from the coin collection. She said that it was very sweet this morning. A little boy from Mrs. Petau's class came up when she was collecting the money and gave her 4 pennies. He was very proud and excited. The kids at Timber Trail were all very excited to help.
- A question was asked about Timber Team and what it is. It is our student council for the school. The kids are giving speeches this morning and presenting posters. The children in each class will vote on who they want to win. The winners will be announced tomorrow, October 8th. Timber Team meets once a month in the morning. They do a lot of things to help around the school. For example, they take new families on tours of the school and help with Watch Dog Dad, and many other community service opportunities.

Holiday catalog/Cookie dough kickoff-Oct 29th:

-The team met with Curtis (who runs the cookie dough), Monsters University is the theme this year. The big kickoff is October 29th. There will be an assembly and the kids will get their packets that day. A lot of reminders will be going home. The money will be due on November 12th. We are looking for volunteers to help count the money on November 13th and 14th.
Delivery of the items will be December 4th so we will need volunteers to help with that. Dawn will chaperone all the limo rides. Top sellers ride in a limosine and go to Wendy's for lunch. Looking for some moms to be at Wendy's to help out with the children. Will also need volunteers to deliver the items to the classrooms and assist with getting the items delivered to car line, etc. Colleen is going to help Renee set up an online sign up for all of these opportunities.

Milk caps for Moola/Box tops:

-Anna reported 5 cents for every cap for milk or OJ, anything from glass bottles. Poster about this fundraising opportunity will be in the town center. Information will be on the TTEA website as well.

-Box tops due tomorrow, October 8th. E-mail blast will go out today.

Daddy/Daughter Dance:

-No rep today. They had their first meeting. A night in Paris is the theme, first Sat in Febuary is the date for the dance. There will be another meeting, date to be determined.

Move-a-thon:

-Brandi found a co-chair, Sarah Boeke. Will pick a theme for MaT this fall. Someone asked what The Move A Thon is and Brandi explained how it is our biggest fund raiser of the year. She explained how the children move from exercise station to station and the kids have lots of fun. They all get t-shirts and prizes for fundraising.
May 2nd is the date for the event with a rain date of May 9th.

Girls on the run:

-Renee reported that GOTR is halfway through the season. Oct 28th is the girls big 5K practice. Big milestone for the girls. If you see the girls running honk your horn and cheer the girls on for support, it means a lot to them.
Nov 10th is the girls final race for Fetal Hope in Wash park. All are welcome to attend. The environment for the girls is so exciting and the air is filled with lots of energy.

Holiday giving:

-A letter will be going home in the Thursday folders explaining this wonderful event. This is an opportunity to give all staff a little something at Holiday time. This will be the teacher's and staff's gift for the holidays. If everyone gave \$1.00 to each of the staff members they would go home with a nice cash gift at the holidays. The week of December 1st is the time to drop off the cash, more information will

be in the Thursday folder on this. The money will be delivered to the teachers the week of December 16th.

The TTEA is going to contribute \$25.00 to each staff member for this holiday collecting event.

Room parent Coordinators:

Whitney was not able to make it but wanted to remind everyone to start planning their classrooms Halloween parties. Room parents, please get with your teachers about a time for the party. Just remember this is a water only school. K-2 will be in the am and 3-5 will be in the afternoon.

Scrip:

King Soopers made \$1,592.00 last month. The goal is for \$2,000.00

Contest for king soopers for card reloaded each month. \$50.00 in gift cards is the prize. That will be based off of the statement on the 13th of the month.

Once they post the winner, please check the back of your card for the number they have posted to see if you are the winner.

Every time you reload you get entered into the contest.

Scrip cards, box is working its way down. The goal is to have the inventory gone as soon as possible.

December 1st a list of everything available will go out to people.

Strategizing on how to get the word out on scrip cards. In addition to the weekly e-mails a flyer will be going out.

Reading program:

Prizes will be awarded tomorrow

Alpine slide ride is the prize.

Spirit Wear:

First part is over, used a local company. The company wasn't able to stick to deadline dates, made it challenging. Logo didn't turn out how they thought it should look.

Had to make changes. Curtis (cookie dough) has an online company to use.

You will be able to order online and have it shipped it to your house. This will be available in January if we decide to go this route. Some backorders will be coming soon.

Sold 250 pieces. Not a fundraiser, just a service.

Educational enrichment:

Michelle is recovering from surgery so was not able to be present. More information at the next meeting.

Destination Imagination:
