### **Principal Report – Michele Radke**

Thank you for the words of appreciation from the parents as we navigate through this remote learning.

The staff is trying to streamline schoolwork with all teachers. The teachers will be making a week in advance to make it easier for planning for parents. The staff will continue to work and adjust to the remote learning and appreciate everyone's patience. Please do your best with your kids during this remote learning timeframe.

There will be no EPR or state testing for the remainder of this school year. There are no answers on when we will be allowed to go back into TTE or when we will be back to normal. Staff will begin working soon on class placement for next year.

### **Web – Amy Ball**

The TTE PTO website is up! (TIMBERTRAILPARENTS.ORG) Please log-in and create your account so that you are still able to receive communication. A contest will be running for parent sign-up in each classroom. Be on the lookout for an e-mail with details.

### **Classbooks – Jolene Richardson/Amy Ball**

K-4 Classbooks will be sent to students' homes in June. Please respond to the e-mail with your home address to ensure delivery. 5<sup>th</sup> grade is still undecided on how they will be distributed at the end of May.

### **Treasurer – Amy Griffin**

Current balance is 63\$K. A portion of the shade structure and staff appreciation will be hitting the budget when school resumes in the fall. We are hoping that King Soopers will have larger numbers than usual with the stay at home circumstances.

### **Volunteer Coordinator - Paige Sanford**

Will be looking for volunteers for Fun Fest this summer.

**Staff Appreciation - Lindsey Gertz**

Staff Appreciation Week will be remote. We will have Motivational Monday, Favorite Color Tuesday, Write about it Wednesday, Take care of your Teacher Thursday and Feel Good Friday.

**Room Parents – Anna Miner**

Anna is working with Room\_Parents on remaining money allocation for the year. Fifth grade end of the year party funds will be returned.

**Fun Fest – Kelly Maxam**

Fun Fest will be postponed until Friday, August 21<sup>st</sup> from 5:30 – 7:30. Fifth graders will be invited back to attend. Please let Kelly know if you know of a Food Truck that can help.

**Book Fair – Jill Alexander**

We are looking at the possibility of an on-line Book Fair in lieu of the cancelled April date.

**Fundraising – Claire Bryant**

We are looking at other opportunities to fundraise as businesses recovering after the Covid-19, may not be able to help us. One way to help may be to do a dine and dash so that we are able to help them and help us in return in the fall.
