Principal Report – Michele Radke

Staff will be in the building this week to collect student's belongings. They are following strict safety guidelines. A plan is being finalized and a note will be sent out this week for picking up next week. Pick up will be by last name on Wednesday and Thursday. Medicines will also be part of pick-up. If your assigned time doesn't work, they will work with you to find a time that does. Please look for books at home to return that Mrs. Bove sent out. Final hangout with teachers are being scheduled for next week. Thank you for staff signs and cards for Staff Appreciation Week. The rock out front of the school was painted and celebrating the graduation of the 5th graders. There is nothing official on a plan for Fall 2020. They are still planning on a regular start date on August 7th as well as a back-up plan. There are massive statewide budgets cuts to school districts due to the pandemic. All school districts are preparing for cuts. We don't know what this will look like yet. Boundary changes are being analyzed through the district. It is being suggested that the new development East of 25 (Canyons) will begin to feed into TTE beginning in the 20/21 school year. The development in Lagae Ranch will continue to feed into BRE. Staff changes will be shared at a later date as the district is still evaluating and discussing options.

Web – Amy Ball

The TTE PTO website is up! Amy will work with Leah on the transition of her Web duties.

Treasurer – Amy Griffin

Current balance is around \$63K that we will roll over to next year since fundraising could be tough next year.

Lindsey Gertz – Staff Appreciation

Yard signs, Gift Certificates and non-profit donations in teacher's names were all part of this years virtual SAW. Room parents facilitated the week of appreciation.

Room Parents – Anna Miner

Anna is working with Room_Parents on remaining money allocated for the year. Kimberly explained that the PTO will be allocating the remaining (end of year party) classroom funds to help purchase new books. This will

help bring the library up to standards. Each new book will have a bookplate included where each child's names will be listed in remembrance of the COVID-19 pandemic and each of our students in grades K through 5. We are working with Mrs. Bove for book recommendations for each grade

Fun Fest – Kelly Maxam

Fun Fest will be postponed with a TBD date.

SAC representative - Nici

Recapped the recent SAC meeting that rezoning and budget cuts were discussed.

Kickball – Chelsea

Kickball next fall could be postponed
