

Approval of November Minutes – Anna Miner and Kelly Maxam

Introduction of Matt LeClaire

Mr. LeClaire is the new BASE Director for Timber Trail. He replaces Janie Ino who retired in December. Matt has been with the BASE program in DCSD for 13 years where he worked at Soaring Hawk and Redstone schools.

President Report – Kimberly McCarthy

We are hopeful for a more normal 2021 and want to thank those that are still finding ways to help the staff and students. Thank you to Kelly for making the cookbook happen. Paige, Jolene and Kimberly for Red Envelope. Lindsey for the staff holiday lunch. Cassandra for managing the spirit rock, Amy for keeping up the FB page and to Briea and the helpers that chalked the sidewalk as a welcome back to students and teachers.

Principal Report – Michele Radke

Thank you to the support of the PTO and parents. The red envelope, staff lunch and chalk is much appreciated. Picture re-takes are on Tuesday. Shelby and Kelly will be helping to take pictures for the remainder of the year to use in the school class book. Pajama day was on Friday and the kids and staff had fun. Kona Ice will be scheduled when the weather is nice. Battle of the Books meetings will begin this week in front of the school. Kindergarten registration is open. We currently have about 24 kindie students enrolled for next year. The staff is planning on receiving vaccination shots, but they are prioritized in different groups. The hope is that all staff will receive by March. The protocol for quarantine is still between 10-14 days. Lisa Fugit is working with the district on how TTE handles. The morale in the school is great. There is a good energy and teachers and students are happy to be back. New security cameras inside and outside the school were recently installed. This is consistent with all schools in the district. Thank you for everyone's help in the pick-up process. It currently takes about 20 minutes.
